Dear Company:

According to Section 4.1 of the Intrastate Flat Rate Carrier Common Line Service Tariff, carriers who wish to be classified as a switchless reseller must submit an **annual** affidavit to the AICCLP Administrator.

Enclosed is the **2026** annual legal affidavit form (**please use THIS form**). If your company continues to meet the criteria of a switchless reseller as defined in the tariff or is only a payphone provider, please complete the affidavit and return it to us by **March 01, 2026**. The affidavit will exempt your company from UC-1 monthly reporting for the year **2026**.

Please note that the Affidavit **must include** the following information:

- 1) Your Company name
- 1) The Company switching calls (underlying carrier)
- 2) The APSC Docket No. of the underlying carrier
- 3) Notarized signature and title of officer or authorized company representative

If your company is classified as non-operational, please complete the appropriate form and return to us by the March 01, 2026 deadline.

Should you have any questions, please email me at ruraltelcom@ruraltelcom.com or call me at (479) 495-5881.

Sincerely,
